

Public documents in CM/ECF that include private information in violation of Bankruptcy Rule 9037 are deficient. The notice of deficiency will require the filing of a Motion to Redact for the purpose of removing private information from a court record.

Please file the motion and attach the proposed redacted document to the motion. Transmit the order separately to chambers. Sample order language:

“Upon consideration of the Motion to Redact for the purpose of removing private information from a court record,

IT IS ORDERED that the motion is GRANTED and the Clerk of Court is directed to substitute the proposed attached redacted [pleading, claim or attachment] for the one currently in the record.”
