CM/ECF NextGen and Judge Review Packet

In preparation for CM/ECF NextGen and the Judge Review Packet module, petition documents must be filed separately. Historically, the US Bankruptcy Court for the Eastern District of Louisiana accepted petition filings inclusive of all schedules and forms B-122A and B-122C.

Effective August 20, 2018, the US Bankruptcy Court for the Eastern District of Louisiana, will require Schedules (A/B, C, D, E/F, G, H, I, J) and forms B-122A and B-122C to be filed separately in PDF format. Petitions where schedules and forms B-122C are not separately filed will be issued a deficiency.

The Court is completing its testing phase with bankruptcy software vendor Best Case. If you use a different vendor for the preparation of your petitions, please contact them and have them get in touch with Denise Sawyer 504 589-7871, who can instruct them on how to access our CM/ECF test database to test their software.

For those attorneys who do not use petition software, you will now be required to upload the schedules and forms B-122A and B-122C separately.
