EASTERN DISTRICT OF LOUISIANA**

IN THE MATTER OF

CHAPTER 13 ATTORNEYS' FEES

§  
§  
§  
§  
§

AMENDED GENERAL ORDER 2020-8

**AMENDED GENERAL ORDER REGARDING CHAPTER 13 ATTORNEYS' FEES<sup>1</sup>**

At the request of members of the chapter 13 bar and upon the recommendation of the Local Rules Committee established by General Orders 2019-2 and 2019-3, the Judges of this District have evaluated this District's presumptive, or "no-look," compensation structure for debtor's counsel in chapter 13 cases in light of the fee structures implemented in other districts of this Circuit as well as districts outside of this Circuit with comparable markets. As a result,

**IT IS ORDERED** that General Order No. 2011-1 is revoked for cases filed in this District on or after June 1, 2020.

**IT IS FURTHER ORDERED** that the presumptive base fee must be elected in the first chapter 13 plan filed by counsel. That election is irrevocable. Counsel opting to receive the presumptive base fee must sign and file the Bankruptcy Rule 2016(b) Disclosure of Fixed Fee Agreement attached to this Opinion as **Exhibit A**. Presumptive base fees are compensable by the chapter 13 Standing Trustee without fee application upon confirmation of a debtor's plan.

**IT IS FURTHER ORDERED** that the presumptive base fee for debtor's attorneys in chapter 13 cases filed on or after June 1, 2020, shall be \$4,000.00 in confirmed "direct-payment"

---

<sup>1</sup> The sole purpose of this amendment is to add a Non-Base Service and its presumptively reasonable fee to the list of Non-Base Services identified in this Order. This Amended General Order 2020-8 supersedes the prior Order dated May 5, 2020.

plans and \$4,500.00 in confirmed “conduit” plans.<sup>2</sup> If the total amount paid into the debtor’s confirmed chapter 13 plan will be less than \$6,000.00, however, the base fee will be capped at \$2,500.00. Applications for approval of a base fee higher than that presumptive base fee must be filed by the debtor’s attorney within forty-five (45) days of the conclusion of the Meeting of Creditors held pursuant to 11 U.S.C. § 341.

**IT IS FURTHER ORDERED** that the presumptive base fee in chapter 13 cases covers the usual and ordinary services involved in representing the debtor during the chapter 13 case. Services not covered by the presumptive base fee (“Non-Base Services”) include the services set forth below along with the compensation deemed presumptively reasonable and allowable for such Non-Base Services:

- a. Motion for Authority To Refinance or Modify Mortgage (\$400)
- b. Objection to Motion To Terminate the Automatic Stay (\$400)
- c. Motion To Substitute Collateral (\$400)
- d. Objection To Mortgage Claim (\$400)
- e. Motion or Adversary Proceeding To Value Immovable Property (\$400)
- f. Motion for Authority To Sell Realty (\$350)
- g. Motion To Deem Mortgage Current (\$350)
- h. Motion To Incur Indebtedness (\$250)
- i. Motion To Modify Chapter 13 Plan Pursuant to § 1329 (\$250)
- j. Motion To Approve Special Counsel (\$250)
- k. Motion for Hardship Discharge (\$250)

---

<sup>2</sup> “Direct payment” plans are those in which payments on claims secured by property are made by the debtor directly to the secured lien holder or servicer. “Conduit” plans are those in which payments on claims secured by property are disbursed to secured lien holders or servicers by the chapter 13 Standing Trustee.

1. Motion To Use Funds (\$275)

If a request for the presumptive fee for a Non-Base Service is included in the pleading seeking relief, such compensation shall be allowable at the hearing on the pleading unless otherwise ordered by the Court; however, in the discretion of the Court, the Court may depart from the presumptive fee amount as may be reasonably warranted.

**IT IS FURTHER ORDERED** that if two motions are made on the same factual predicate, such as a Motion To Modify Chapter 13 Plan Pursuant to § 1329 made in connection with a Motion for Authority To Sell Realty, the relief may be requested in a combined motion and the presumptively reasonable and allowable aggregate compensation for the related motions, whether combined or not, shall be the higher of the presumptive fees for the related motions.

**IT IS FURTHER ORDERED** that representation of the debtor in adversary proceedings constitutes a Non-Base Service. With the exception of an Adversary Proceeding To Value Immovable Property, applications for approval of attorneys' fees for representation of the debtor in an adversary proceeding must be filed by separate, itemized application to the Court.

**IT IS FURTHER ORDERED** that when a representation agreement between a debtor and court-approved counsel requires the debtor to pay litigation costs and expenses, if aggregate costs and expenses incurred in the representation total \$500.00 or less, no review or approval is necessary before such costs and expenses are paid. If such costs and expenses total between \$500.01 and \$2,500.00, an itemization of such costs and expenses must be presented to the chapter 13 Standing Trustee for review and approval before the debtor pays any portion of such costs and expenses. If the total of such costs and expenses exceeds \$2,500.00, an itemization of such costs and expenses must be presented in a motion to the Court for review and approval before the debtor pays any portion of such costs and expenses. Neither the debtor nor the debtor's bankruptcy estate

shall be obligated for any costs and expenses in excess of those amounts authorized to be paid under this paragraph.

**IT IS FURTHER ORDERED** that upon the entry of an Order dismissing a chapter 13 case prior to a plan being confirmed, counsel for the debtor shall have fourteen (14) days from the entry of the Order of Dismissal within which to file an application for attorneys' fees and expenses (the "Post-Dismissal Application"). The Post-Dismissal Application shall be served on the debtor, the chapter 13 Standing Trustee, and the United States Trustee. The chapter 13 Standing Trustee shall not make any disbursement until the 14-day period for filing the Post-Dismissal Application has expired. If a Post-Dismissal Application is timely filed, the chapter 13 Standing Trustee shall continue to hold all funds on hand in trust pending further Order of the Court.

**IT IS FURTHER ORDERED** that nothing in this General Order should be viewed as barring an objection by any party in interest or the Court to a presumptive fee request.

New Orleans, Louisiana, April 29, 2021.
