“Allowed Secured Creditor” and “Allowed Secured Claimant” shall mean a creditor with an Allowed Secured Claim.

The term “Debtor” shall include both Debtors in a joint case.

The term “Completion Date” shall be the date the last payment was due to Trustee under the Plan, or for payments directly submitted to creditors of Debtor, the date immediately preceding the last date a payment was due to Trustee.

“Completion of the Plan” shall mean the payment of all amounts provided by the Plan whether through Trustee or directly to a claimant.

The effective date of this Plan shall be the date of entry of the Order of Confirmation; modifications to the Plan shall become effective upon entry of an order approving same.

On Completion of the Plan, all prepetition claims provided for by the Plan or disallowed under 11 U.S.C. § 502 shall be discharged except as provided by 11 U.S.C. § 1328 or the Plan.

Confirmation of the Plan does not constitute a waiver or admission by Debtor or any party in interest regarding the validity or amount of any claim provided for by the Plan. Debtor and Trustee specifically reserve the right to object to any claim, whether or not said claim was filed at the time of or after confirmation.

All scheduled property of the estate existing at confirmation shall vest in and be retained by Debtor. Unscheduled property or property acquired after confirmation shall remain vested in the estate. Upon disposition of any rights in property of the estate belonging to Debtor on the petition date or acquired thereafter, the proceeds or benefits received shall be:

7.3. Allowed Secured Claims. Allowed Secured Claims shall be paid after satisfaction of payments under sections 7.1-7.2. Payments to secured claimants shall be as follows:

Allowed Secured Creditors shall retain their mortgage, lien or security interest in collateral until completion of all payments due under the Plan to any party. To the extent the Plan provides for the cure of prepetition defaults on a secured claim but provides that the unmatured prepetition amounts owed shall be payable beyond the term of the Plan, on Completion of the Plan, the

prepetition default shall be deemed cured, the debt will be current through the Completion Date of the Plan, and all claims to cure shall be released both *in personam* and *in rem*. Except as provided by the Plan, the Allowed Secured Claim shall be reduced to the unmatured portion of the debt that extends beyond the Completion Date and the claimant's lien shall be retained to secure only that obligation unless otherwise modified by court order or Federal Rule of Bankruptcy Procedure 3002.1.

For an Allowed Secured Claim payment of which does not extend beyond the Plan Completion Date (payable entirely through the Plan), upon payment of the Allowed Secured Claim, the security interest over Debtor's property shall be cancelled upon order of the Court or upon discharge, whichever occurs first.

Debtor may modify the interest rate or other terms of repayment on an Allowed Secured Claim without separate objection and through the provisions of this Plan. Confirmation of the Plan does not constitute a waiver or admission by Debtor or any party in interest regarding the validity or amount of any claim provided for by the Plan. Debtor specifically reserves in his favor and that of Trustee the right to object to any Allowed Secured Claim, whether or not said claim was filed at the time of or after confirmation.

Unless otherwise ordered, Trustee shall cease making distributions to any secured claimant on its Allowed Secured Claim after an order lifting the stay imposed by 11 U.S.C. § 362(a) is entered or a plan that surrenders the collateral to the secured claimant is approved.

During the term of the Plan, Allowed Secured Creditors may continue to send Debtor notices, statements or other written information on the status of direct, monthly postconfirmation payments. However, demand letters are not permitted nor may Allowed Secured Claimants invoice or provide informational statements as to accrued, but unapproved, charges allegedly due except under the procedures outlined in the Federal Rules of Bankruptcy Procedure or Local Rules of the Court.

If under the terms of a note or security instrument an Allowed Secured Claimant proposes to change the amount of any direct payments made by Debtor, the claimant shall give written notice of the change to Debtor, Debtor's counsel and Trustee along with appropriate documentation explaining the reason for the adjustment in accordance with the Federal Rules of Bankruptcy Procedure.

Unless otherwise ordered by the Court, all payments received by the Allowed Secured Creditor from Trustee shall be applied to reduce the amounts reflected on the creditor's proof of claim for sums due and payable prepetition. All amounts paid directly by Debtor to the Allowed Secured Creditor will be applied to outstanding interest, Debtor's escrow account or principal accrued and payable since the filing date, allowed before costs or fees.

In the event an Allowed Secured Creditor believes it is entitled to additional postpetition charges or fees, it must seek approval for same in accordance with the Federal Rules of Bankruptcy

Procedure prior to imposing any charge or fee against Debtor’s account. If not approved prior to the Completion Date, any postpetition charges or fees shall be released both *in rem* and *in personam* from the claim.

Claimants holding claims payable under this section shall release and cancel from the public records any lien, writ, notice of seizure or encumbrance over property of Debtor or his estate which was created by virtue of an action to collect the Allowed Secured Claim or that has been satisfied in accordance with the Plan.

The following Allowed Secured Claims will be paid in full under the Plan with interest at the rate stated below. Payments will be disbursed either by Trustee or directly by Debtor, as specified below. Unless otherwise ordered by the court, the claim amount stated on a proof of claim filed timely before the filing deadline under Bankruptcy Rule 3002(c) controls over any contrary amount listed below. In the absence of a contrary and timely filed proof of claim, the amounts stated below are controlling. The final column includes only payments disbursed by Trustee rather than by Debtor.

The amounts to cure will be secured by the collateral described below during the term of this Plan. On Completion of the Plan, the following claims shall be deemed in good standing and current as of the Completion Date. Debtor requests that the Court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, Debtor states that the value of the secured claim is as set out in the column headed Amount of secured claim (“Allowed Secured Claim”). For secured claims of governmental units, unless otherwise ordered by the Court, the secured claim listed in a timely filed proof

of claim filed in accordance with the Bankruptcy Rules controls over any contrary amount listed below. For each listed claim, the Allowed Secured Claim will be paid the Amount set forth below in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the Allowed Secured Claim will be treated as an unsecured claim under section 7.6 of this Plan. If the Allowed Secured Claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under section 7.6 of this Plan. Unless otherwise ordered by the Court, the amount of the creditor's total claim listed on a timely filed proof of claim controls over any contrary amounts listed in this section, but its Allowed Secured Claim will be limited to the Amount set forth below.

The holder of any Allowed Secured Claim listed below will retain its lien on the property interests of Debtor or the estate to secure repayment of its Allowed Secured Claim until the earlier of:

Upon confirmation, Debtor shall immediately discontinue use of the collateral. Debtor shall not be responsible for any damages or depreciation in value to the collateral except to the extent caused by Debtor's use postconfirmation, fault or gross negligence. Upon confirmation, the stay imposed by 11 U.S.C. § 362 shall be lifted as to all surrendered property and the stay under 11 U.S.C. § 1301 shall be terminated in all respects so as to permit creditors holding security interests in same to pursue rights in the property. Unless otherwise provided in the Plan, a surrender shall entitle the secured claimant to file an unsecured deficiency claim if due. If a deficiency claim is allowed, distributions will be payable to the claimant on a *pro rata* basis with other claimants in its class from the date of the filing of the deficiency claim. Deficiency claimants will not be entitled to equalizing distributions based on prior payments made to the class.
